6. PROCEDURE FOR EMPANELMENT

- A) An initial screening of all the applications will be undertaken by Screening Committee.
- B) The Screening Committee, after evaluation of the all the applications, if required, may recommend the name of the system integrators who could be called for presentation on a specified date, time and venue before the Standing committee. The presentation will comprised briefly on Company/firm Profile, Projects Undertaken for BSNL/ other organizations, companies, Agreements/Ties up with OEMs, Typical solution for Target Markets/ Customer requirements, Present & future Business opportunities in Jharkhand & BSNL etc.
- C) System Integrators will then be empanelled based on the various factors such as :
 - a. Past experience in Networking,
 - b. Financial strength,
 - c. Their presence in various parts of the country/Jharkhand.
 - d. Their tie-up with various Networking equipment suppliers, etc.
- D) A panel of System Integrators will be selected thereon based on final ranking and will be issued a letter of award.
- E) To review the empanelment of those System Integrators who are dormant for the last two years and also compete directly or indirectly with BSNL. All such empanelment should be terminated following the due procedure by the Circle / unit who have empanelled such SIs in order to safeguard the BSNL's interests and to check leakage of rates/information during tendering process or otherwise and the depleting BSNL revenues.

7. DURATION OF EMPANELMENT

The agreement of Empanelment shall be valid for a period of **FIVE YEARS** from the date of signing the Agreement unless revoked earlier for whatever reasons. If at any stage during the tenure of this agreement, it comes to the notice of BSNL, directly or through some other complaint, that the System Integrator had misrepresented the facts or submitted any false information or hid any information, which could have affected the signing of this agreement with the System Integrator this agreement shall stand terminated immediately under intimation to the System Integrator and security deposit shall be forfeited.

Extension of Agreement: The period of agreement may be extended by BSNL beyond the initial period of 5 years. The period of extension shall be **TWO YEAR** at one time depending on satisfactory performance of the empanelled System Integrator.

8. Allocation of work of Network Integration and supply:

- a) **“Bring It Get It”:** It is appreciated that, on-Boarding of customer, on nomination basis is most difficult and an important step in Enterprise Business Chain. Though BSNL is having its own Sales Teams and mechanism but the help of SIs is very crucial as they are domain knowledge experts. BSNL should encourage SIs to bring on board more and more customers on behalf of BSNL. SI who makes all efforts in On-boarding the customer (SI) should be extended all out support and shouldn't be subjected to undue competition.

No. : CGMT/JKD/EB/SI Empanelment/24-25/60

Dated at Ranchi:- 16.02.2024

- b) But it is also a fact that most of the business on nomination comes out of customer's faith in the fair and transparent policies of BSNL at large. It becomes more important when the end customer is Government or its subsidiary and awards work to BSNL on nomination basis, BSNL itself being a Govt. Company. So, with a larger business interest in view, the policy of **"Bring It Get It" on back-to-back basis can only be adopted in rare cases where the client gives clear choice for a particular SI, with its rates and the solution.** Otherwise, the prevalent practice of exploring best rates from empanelled vendors/SIs by the Circle Standing Committee should continue.
- c) Efforts of SI can't be undermined in bringing the customer on board may it be a Government or Private and involves continuous visits presentations and perusals at different levels. To appreciate the same and in order to give an edge to such SIs (SI- to be Established as per the relevant covenants under Channel Partner Policy-CPP), who nurtured the business, must be given:
- (i) For business with SI Component >Rs.5 Lakh: SI to be given a choice if he is eligible and can meet the competition by way of providing "First Right of Refusal" at the L1 rates, determined by Limited e-Tendering method from the eligible sources.
- (ii) In case the SI is non L1 and chooses not to accept L1 rates, the work will be awarded to L1 SI. In case L1 SI is not able to execute the work/ refuses to work, then he shall be debarred for one year to participate in tenders from the date of refusal, along with other penal actions under empanelment.
- (iii) The genuineness of rates however would continue to be vouched by the Circle Standing Committee.
- d) **Non-performance Clause**
- (i) Circles to review empanelment of all SIs dormant for the last two years. Meetings with all such SIs may be held at CGM level to resolve their issues, if any. However, if such SIs do not respond for the meeting or do not still show any interest towards BSNL Enterprise Business, their empanelment may be terminated as per the applicable covenants of the agreements. This action is to be taken by the Circle / unit who has empanelled such SIs.
- (ii) BSNL shall reserve the right to forfeit the PBG submitted by SI at the time of empanelment in case performance of SI is not satisfactory to recover the damages caused to BSNL in such cases.
